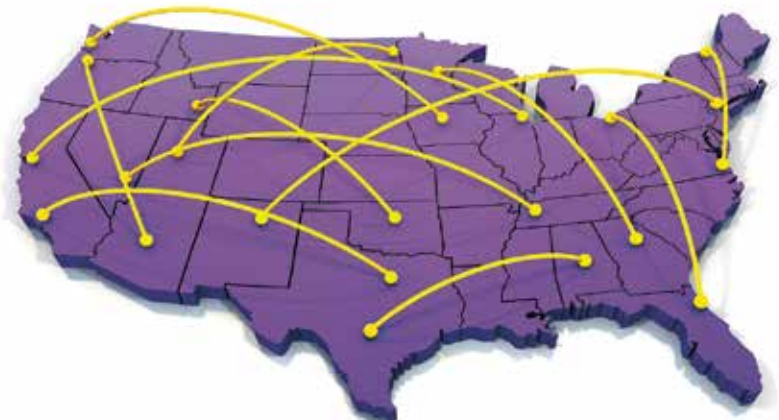
A Leader in Treating Innovative and Cost Effective Ancillary Solutions

Comp-X Offers the **HIGHEST** Quality Available



Comp-X is committed to providing the highest quality of service available in the industry. Our vision is to continuously set the standard of excellence in the ancillary service market.

We listen to our customers and demonstrate our abilities in the areas that matter most to them. We offer a singular solution to help our customers maximize their performance and mitigate their risk.

That's Why We Are Leaders in the Industry!

What Sets COMP-X Apart

We're Here For You, 24/7/365

We realize that you want excellent customer service from a real person. That's why **Comp-X** offers live customer support 24/7/365.

We believe that outsourcing customer service to overseas call centers makes for a poor client experience. **Comp-X** is proud to have a customer service team that's 100% based in the U.S.

- ✔ Transportation
- ✔ Translation/Language Services
- ✔ Diagnostics
- ✔ Physical & Occupational Therapy
- ✔ Durable Medical Equipment & Devices
- ✔ Insurance Investigations
- ✔ Medical Air Transportation
- ✔ Concierge Services
- ✔ Home Health Care

Transportation

Safety and quality are our top priorities. Our innovative and cost-effective program connects claims professionals and patients to thoroughly credentialed and insured, non-emergency medical transportation providers nationwide.

- ✔ Wheelchair
- ✔ Ambulatory/Sedan
- ✔ Stretcher
- ✔ Non-emergency Ambulance (BLS and ALS)
- ✔ Discharges
- ✔ Air Ambulance (Domestic and International)
- ✔ Long Distance Motorcoach Transfers
- ✔ Professional Medical Escorts

Translation/Language **Comp-X** offers

an extensive list of non-biased, high-quality, credentialed interpreters of more than 200 languages and dialects, including sign language and rare languages nationwide.

- ✔ In-Person Interpretation (Standard and Certified)
- ✔ Telephonic Interpretation
- ✔ Medical and Legal Interpreters
- ✔ Document Translation
- ✔ Recorded Statements

Diagnostics

- ✔ MRI Scans
- ✔ CT Scans
- ✔ X-Ray
- ✔ EMG

An accurate diagnosis is key to successful treatment plans, quick recovery and timely return-to-work.

Comp-X partners with quality diagnostic providers nationwide to deliver prompt and efficient scheduling, resulting in a quality and cost-effective diagnostic testing.

Equipment & Devices

Whether a patient needs an electrotherapy device, wheelchair, cane, hospital bed or a brace, **Comp-X** offers durable medical equipment (DME) and medical devices at preferred prices that can be purchased and delivered anywhere in the U.S.

- ✔ Durable Medical Equipment
- ✔ Mobility Products
- ✔ Orthotics & Prosthetics
- ✔ Home Accessibility

Home Health Care

Many patients prefer to remain in their home, surrounded by family and friends. The need for specialized clinical care is essential to home recovery. Whether a patient is recovering from surgery, has a chronic condition requiring ongoing care or is in need of assistance with activities of daily living, **Comp-X** is committed to customizing solutions for each unique in-home referral.

- ✔ Registered Nurses
- ✔ Attendant Care
- ✔ Licensed Practical Nurses
- ✔ Licensed Vocational Nurses
- ✔ Speech Therapists
- ✔ Wound Care

Infusion Therapy

The option to have complex drugs administered in the comfort of home allows patients to continue their road to recovery without the stress of being in an in-patient setting. Dedicated clinical care is required for these complex regimens to ensure patient compliance, manage costs and most importantly to ensure that all drugs are controlled properly. **Comp-X's** national network of credentialed providers are equipped to take care of all your infusion needs.

- ✔ IV Antibiotic Therapy
- ✔ IVIG Therapy
- ✔ Total Parenteral Nutrition Management
- ✔ Fluid Replacement Therapy
- ✔ Specialty Infusion Products

Concierge Services

Comp-X Concierge Services are designed to connect claims professionals to convenient and cost-effective accommodation solutions reducing the time it takes to locate and schedule reservations for their claimants.

- ✔ Hotel Accommodations
- ✔ Commercial Travel (Air, Rail or Bus)
- ✔ Professional Medical Escorts
- ✔ Overnight and Short Stay for claimants and their families
- ✔ Long Distance Motorcoach Transfers

Physical and Occupational Therapy

- ✔ Physical Therapy
- ✔ Occupational Therapy
- ✔ Certified Hand Therapy
- ✔ Speech Therapy
- ✔ Aquatic Therapy
- ✔ Work Hardening
- ✔ Work Conditioning
- ✔ Functional Capacity Evaluations
- ✔ Chiropractic Care

Our fully comprehensive outpatient rehabilitation program is focused on scheduling patients with providers who are committed to delivering exceptional outcome-focused care.

Starting on the first visit, the patient's goals are established with a strong emphasis on function and return-to-work. **Comp-X** manages the patient's file from the initial evaluation through discharge. We provide prompt scheduling, reporting, and correspondence with all stakeholders.

Insurance Investigations

Insurance fraud occurs in a variety of scenarios that often require thorough investigations. Claimants may exaggerate or even fabricate injuries resulting in billions of dollars paid out annually to fraudulent claims. **Comp-X** provides expert investigations performed by qualified, experienced investigators nationwide.

- ✔ Social Media Background & Investigation
- ✔ Surveillance
- ✔ Activity/Wellness Checks
- ✔ Statements (Written or Recorded)
- ✔ Medical, Pharmacy & Imagining Background
- ✔ Asset & Subrogation Research
- ✔ Medical Appointment Observation
- ✔ Special Investigation
- ✔ Records Procurement
